Lawyer Monthly 2016 Legal Awards

Lawyer Monthly - Lawyer Monthly is pleased to announce the publication of its 2016 Legal Awards, which recognise the achievements of law firms and individuals who have delivered exceptional results for their clients over the past 12 months – whilst operating in a challenging business environment.

Corporate lawyers and law firms continue to play a crucial role in supporting and advising businesses so that they not only survive but thrive in tough conditions. The relationship between corporate law firms and their clients has allowed businesses to expand and create opportunities that fuel global economic optimism.

The 2016 Lawyer Monthly Legal Awards recognises firms, individual lawyers, solicitors and barristers that have dedicated their resources to innovation, built on their depth of expertise, and performed outstandingly over the year. As well as announcing this year's winners, our 2016 Special Legal Awards Edition also features some exclusive in-depth interviews with selected winners, who detail their thoughts on the award, and provide an outlook of their goals and priorities for 2017.

Over several months, the Lawyer Monthly research team has collected and collated nominations through our online voting system. Each nomination has then been compared against a strict set of measurable criteria, which was in turn combined with additional industry research to help produce a definitive list of winners.

The Lawyer Monthly Legal Awards 2016 winners have stood out from their peers by demonstrating professional achievement and excellence in their jurisdiction and sector of practice. We would like to take this opportunity to congratulate all the winners and thank everyone who voted.
